Downloading and running the Patch on Chrome Browsers

Please install the following patch on all the systems that are effected by the Jan 1 2020 lockout.

The Patch is on a cloud drive and can be downloaded directly to each PC.

Your browser and/or windows defender may report the patch as unsafe. This is a False positive and the patch is totally safe. Please make sure that you have closed the Terra Vista Application prior to running this patch. The patch runs in just a few seconds. Please see the attached PDF file w/instructions on how to download and install the patch thru Chrome Browsers.
